## **Our Teams are Going STRONG!**

We are in the heat of the competition season with our boys and girls gymnastics and competitive cheer teams! This season is going very well and we are very proud of the kids and thankful for such supportive parents. Our parents are not only supportive of their children, but of their teammates and the coaches. Thank you very much. Our Level 8-10 Gymnastics Team and our Elite Force Senior Team traveled to Las Vegas in February! And our upper level girls are competing in Long Beach, California!

Our Youth Force Cheer Team, Level 5 Girls, Level 7 Girls and Boys Team have been working hard and competing very well. Just check out all of the trophies they are packing back to the gyms! Way to go everyone... keep up the good work! Congratulations to our X-Force on their 1st competition this month. You did a great job.

Check out our FACEBOOK page for updates about our teams as well as pictures! You don't have to be a member of Facebook to see, just go to [mcga.org](http://mcga.org) and click on the link.

## **GYM BITS!**

~**Please welcome our newest staff members!** Carli and Tori have joined our staff and they are really enjoying teaching at MCGA! Sadly, Brittany is no longer able to teach gymnastics due to her new job at the hospital. She will continue coaching cheer! Teacher Andrea has moved on to a new career as well. Kody is back temporarily until he heads off on his mission. We are so lucky to have such a caring staff!

~**Class Placement:** If your child is in a recreational cheer or gymnastics class and they are outgrowing the class, age wise, please talk to the office staff about moving up. If you have questions about whether your child is ready to move to a higher level class, please talk to their teacher.
