PASCO ENROLLMENT INFO:

- Our Pasco location is tentatively opening in July 2025. Being a brand new building, there are several factors that make it difficult to pinpoint the exact date. To secure your spot, you can register for class at Pasco on your portal while enrolled at Fowler gym.
- You will only be billed for the class you are currently attending. As it gets closer to opening, we will send you updates to exact start date. When Pasco opens you will automatically be transferred to your new class and any payment for that month is transferrable. If you are adding Pasco class in addition to your current class at Richland, please let us know so we don't withdraw you.
- Annual registration, multi class, and sibling discounts are still valid at both locations (example: sister in one class at Fowler/one class in Pasco, brother in class at Fowler= 10% off sister's 2nd class + 10% sibling discount for both siblings).
- Pasco will offer pre-school gymnastics, girl's gymnastics, and co-ed tumbling. Boy's gymnastics equipment is planned to be added in the future.
